

APPROVED LOAN BROKER AND ORIGINATOR EDUCATION VENDORS AND COURSES

September 1, 2006

NOTE:

If you are an education vendor and wish to be included on this list, please contact the Securities Division for an application. The application cover page lists the materials you must submit for consideration of course approval. Upon approval or denial, the Securities Division will notify the applicant of the Securities Commissioner's decision.

If you are a loan broker or originator applicant and have completed or wish to complete a course that is not on this list, you may submit the course materials to the Securities Division for approval. The submitted course materials must contain a detailed outline (such as a table of contents or syllabus) of the course, the approximate time of academic instruction spent on each topic, and the contact information for the education vendor. Upon approval or denial, the Securities Division will notify the applicant of the Commissioner's decision.

The approval of an education vendor or course does not, in any way, constitute an endorsement of a particular vendor or course by the Secretary of State's Office, the Securities Division, or the Commissioner.

Effective with courses completed on or after July 1, 2005, the Commissioner will not grant automatic acceptance of courses offered by education vendors accredited by the Indiana Real Estate Commission. In order for these courses to fulfill part or all of the academic instruction requirement for loan brokers and originators, either the vendor must follow the above procedure for consideration of course approval, or the loan broker or originator applicant must follow the above procedure for consideration of courses not on this list.
